CONSTRUCTION SIGNS

ROLL-UP SIGNS

Our Roll-Up Signs quickly alert passing motorists and pedestrians to road or utility work being performed in the area. Sign kit includes mesh sign, ribs and A-frame stand.

- Signs are heavy 15 oz. bright orange mesh.
- Frame is 2-way spring-loaded, wind-resistant, rock-away model.
- Folds flat to 2" x 14" x 53".
- Holds 3 flags and 36" x 36" roll-up sign.
- All standard stock legends available
- Custom legends available - call for pricing. *Allow 2 weeks for delivery.*

W2RKS-36
Includes mesh sign,
ribs and stand

Flags sold separately
on opposite page.

.80 REFLECTIVE ALUMINUM SIGNS

Reflective Aluminum Signs are furnished with an engineer grade reflective finish. Durable .080 gauge aluminum combines quality with high visibility. Available in 30"x 30" or 36"x 36" sizes.

Please add suffix -30 or -36 to part number to specify size when ordering.
