

Streamlight Flashlights

ProPolymer® Flashlights

The professional's choice for high-performance alkaline powered flashlights. The ProPolymers® are completely waterproof (submersible to 200 feet), extremely tough and incredibly bright. Their powerful Xenon or LED beams produce a brilliant pre-focused beam that can be activated by either a tail switch or locked on with the rotary face cap. Made of nonconductive polymer case with thermoplastic elastomer grip, making it perfect for wet grip handling or gloved hands. Features rubber face cap for impact and shock resistance. Yellow only. UL Class I, Division I listed for use in hazardous locations. *Ship. wt. 2 lbs.*

Cat#	Description	Length	Output	Price
AM276	2 "AA" Xenon	6.06"	3,500 cp	\$14.95
AM277	4 "AA" Xenon	6.38"	6,000 cp	\$26.95
AM278	3 "C" Xenon	8.77"	12,000 cp	\$31.95
AW354	4 "AA" LED	6.5"	11,000 cp	\$30.95
BC016	3 "C" LUX	9.3"	3,500 cp	\$45.95

4AA ProPolymer® Lux Flashlight

1 watt, 10,000 hour, super high-flux LED provides a longer reaching, brighter beam that's 10 times brighter than a high-intensity LED. Ergonomically shaped for maximum hand comfort. *Length: 7". Ship. wt. 1 lb.*

- ▶ Powered by 4 "AA" alkaline batteries
- ▶ Up to 3,500 peak beam cp
- ▶ Wrist lanyard connection
- ▶ Waterproof
- ▶ Runs up to 4 hours at full intensity with 2 additional hours of declining usable light

Specify color: **Yellow or black**

BC015	4AA ProPolymer® Lux Flashlight	\$39.95
BC017	4AA Helmet Clip	\$13.95

Streamlight Rechargeables

Streamlight rechargeables give you the power and durability to do your job no matter what it is. You'll get great features like a Ni-cad power cell that is guaranteed for up to 1,000 charges, unbreakable lens, pre-focused glass halogen lamp, three-position switch (on/off/blink), O-ring seal for protection against wet conditions, and LED charge continuity indicator. Each light provides up to 1.5 hours of continuous use between charges.

SL-20XP®

Delivers up to 28,000 pre-focused candlepower in a 13" super-tough polymer case that weighs just 1 pound. Wrapped in a non-slip, nonabsorbent foam comfort grip. *Black only. Ship. wt. 2 lbs.*

U611	SL-20XP® with AC Charger	\$91.95
------	--------------------------	---------

SL-20X®

It's the light of choice of law enforcement around the country. Ten times brighter than an ordinary flashlight with up to 30,000 pre-focused candlepower in a 13" aircraft aluminum case anodized inside and out against corrosion. *Black only. Ship. wt. 3 lbs.*

U610	SL-20X® with DC Charger	\$114.95

Stinger® / PolyStinger® Rechargeable

Measuring only 7³/₈" long, it produces up to a blinding 15,000 cp beam from a Xenon bi-pin bulb for up to one hour between charges; this is more than a match for much larger flashlights. It is housed in your choice of indestructible machined-aluminum housing with anti-roll feature or super-tough, non-conductive polymer case with slip-resistant rubber grip. Features a shock-resistant lens reflector assembly, spot-to-flood focus, unbreakable polycarbonate lens, self-cleaning switch and spare bulb in tail cap. Battery is guaranteed for up to 1,000 recharges. Includes AC/DC charge cords and sleeve holders. UL Listed for use in hazardous locations; Class I, Div. 2, Groups A, B, C, D; Class II, Div. 2 Group G. *Ship. wt. 1 lb.*
