

A. Hose Hoist

- ▶ For raising/lowering hose, ladders, etc. to and from the roof or through windows
- ▶ Akrolite™ construction

J735 Hose Hoist \$345.95

B. Hose & Ladder Strap

Use the hose and ladder strap to advance hose, drag pre-connected hose from the truck or carry non-charged hose up a ladder. Tough nylon webbing with lightweight aluminum alloy drag handle on one end and adjustable hook end on other. Fits up to 2 1/2" hose. Ship. wt. 1 lb.

M684 Hose & Ladder Strap \$27.95

C. Darley Rope Hose Tool

We make our own and improved on the original by using lightweight and extremely strong nylon. The steel hook is attached around the hand spliced area of the tool. Rope length 9 feet. Ship. wt. 3 lbs.

T401 Darley Rope Hose Tool \$48.95

Hose Handler with Dewatering Bar

- ▶ Prevent some back injuries related to handling large diameter hose
- ▶ Lift and move rolled large diameter hose: 5" hose = 110 lbs. per 100' lengths; 6" hose = 130 lbs. per 100' lengths
- ▶ Move any large diameter hose that is charged: take the kinks out of LDH or move LDH out of the roadway to prevent it from being run over by vehicles
- ▶ Remove water and air from LDH to facilitate easier repacking
- ▶ Lift large beams used in trench rescue or any other large item that may fit in the "jaws" of the Hose Handler
- ▶ Built-in spanner wrench to connect and disconnect LDH butts: Storz or standard thread
- ▶ Gives firefighters a more ergonomically correct grip on heavy, awkward and difficult-to-handle objects
- ▶ Made of stainless steel and tenzaloid, an aluminum alloy, to ensure long life and no rusting
- ▶ 1 year warranty

Remove water & air from hose

Lift heavy rolled LDH

BE298 Hose Handler with Dewatering Bar \$264.95
 BE299 Truck Mount \$41.95

Low Profile Booster Reel

By being shorter and not requiring as much compartment depth, the Low Profile Booster Reel was designed to take up less space than similar reels in the industry. It easily fits in low profile compartments, or when overhead height is a concern. It was designed to be extremely durable, by utilizing powder coated finishes and stainless steel hardware. In the Akron Brass tradition, it includes standard features such as chain guards, hand crank and tensioner. Solenoid, push button switch, and circuit breaker are also included at no additional charge for added ease of installation. The Low Profile Booster Reel is perfect for brush trucks, skid units, rear compartments of apparatus, or even off road utility vehicles. Most importantly; the Booster Hose Reel carries the standard 5 year warranty!

- ▶ Handles 3/4" and 1" ID booster hose
- ▶ Dimension: 17 1/4" H x 39" W x 15 1/2" D
- ▶ Capacity: up to 250' of 3/4" or 150' of 1" redline
- ▶ Powder coated finish available in red or silver
- ▶ Standard inlet: 90' super swivel with the 1" female NPT threads
- ▶ Standard outlet: 1" male NST threads (1 3/8" x 8 TPI)
- ▶ 1000 PSI pressure rating

BH079 Low Profile Booster Reel \$870.95
