LOCKOUT

LOCKOUT STATION WITH BINDER & FORMS

20"H x 14"W x 4 1/2"D

LO-PST

Lockout Procedure Station

- 1 Backboard with white PVC coated steel binder rack and mounting hardware
- 1 LO-SPB binder
- 1 LO-SPF package of 25 procedure forms

Never search for lockout-related paperwork again. Our Lockout Procedure Station conveniently holds your Safety Procedures Binder and Lockout Forms (sold at right). The two-color, screen printed backboard is made from durable polystyrene. Comes with predrilled holes for wall mounting.

LO-SPF

Lockout Forms

These 8 1/2" x 11" predrilled forms provide an organized system for easily recording your lockout steps and procedures for specific equipment. Sold in packages of 25 forms.

LO-SPB

Lockout Procedure Binder

This 3-ring, 11/2" binder is made of durable 55 gauge polyethylene. It is designed for organizing LO-SPF lockout procedure forms (sold above). Provides easy access to procedures.

MANUALS

LCK-6L

This colorful, easy-reading 14 page manual explains the basics of Lockout/Tagout safety procedures. Makes a nice addition to your company safety program.

Sold in packs of 6.
