Sized Harnesses

Sized full body harnesses provide the ultimate in comfort and safety. North's lightweight harnesses have a proven track record for comfort and durability. Tough nylon webbing and forged hardware means long-term wear and safety. The sized harness offering has a harness in the right configuration and size for every application. North designed this lightweight harness complete with a sub-pelvic strap to help evenly distribute the forces generated in a fall. These harnesses meet or exceed applicable ANSI and OSHA requirements and are CSA certified.

Features/Benefits

- Light-weight – Compact fittings and light-weight webbing combine to make this one of the lightest harnesses on the market.
- Sized harness – Available in S, M, L and XL for a “tailored” fit and feel.
- Nylon webbing – Offers a soft feel for improved comfort, as well as superior resistance to abrasion and alkaline chemicals.
- CSA approved and ANSI/OSHA compliant – Suitable for use in all industries throughout North America.

FP700/1D

FALL ARREST

FP700/1ED

Features/Benefits

- Back D-ring – For fall arrest applications (CSA class A).
- Extended D-ring option – Makes lanyard connection easier and safer.

Part No	Back D-ring	Front D-ring	Side D-rings	Shoulder D-rings	Extended D-ring	Shoulder Strap Adjustment	Leg Strap Connector	Chest Strap Connector
