## Cord Reel Light

Cord Reel Lights are reverse-wired live cord reels, which allows a plug on the cord to be plugged into a power source while the Cord Reel Light is carried to the fire ground or work site. The Cord Reel Light allows the scene to be illuminated while providing a receptacle for additional tools or lights. Akron Brass' Cord Reel Lights come in 10" cord reels with either 500, 650, or 750 watt low profile Beta Light heads.

*Cord Not Included*

<b>BB090</b>	Cord Reel Light 500 watt	\$527.95
<b>BB091</b>	Cord Reel Light 650 watt	\$524.95
<b>BB092</b>	Cord Reel Light 750 watt	\$549.95

## Live Cord Reels

Allows fast, easy, manual deployment and retraction of extension cords without twisting or knotting, thus prolonging cord life. They are made of heavy-duty steel tubing powder-coated red for a long lasting durable finish. An enclosed electrical hub and heavy-duty brass slip rings (per NFPA) will carry up to 300 amps continuously. Reels come standard with a six-foot cord and L5-20, 125 volt-20 amp twist lock plug - other configurations available. Cord lengths listed below are based on 300 volt rating.

Ship. wt. 27 lbs.

Cat#	Reel Size	Cord Type				Price
		16/3	14/3	12/3	10/3	
<b>AZ539</b>	10"	150'	125'	100'	-	\$147.95
<b>AZ540</b>	15"	-	300'	200'	100'	\$184.95
<b>AZ541</b>	18"	-	450'	300'	175'	\$195.95

## Handle Live Electric Cable

Offers live connection of power for direct wiring to a collector ring assembly, allowing continuous current as cable is payed out or rewound. Available in either manual or electric rewind. Comes standard with spring tension brake. 45 amp, 3-conductor 600-volt collector assembly with #8 gauge wiring from the collector ring to the junction box is standard. Reel will hold up to 200 feet of 10/3 cable, up to 250 feet of 12/3 cable or up to 350 feet of 14/3 cable. Ship. wt. 50 lbs.

<b>AC192</b>	Cable Reel w/Manual Rewind	\$594.95
<b>AC192A</b>	Cable Reel w/Electric Rewind	\$924.95

## Portable Electric Cable Reel

This reel is compact and lightweight yet has rugged construction. It handles a large capacity of power cable for its size and weight. A 6-foot power source lead of type SO cable is pre-wired to the reel. Crank rewind handle is permanently attached to the disc. Can handle from 150 to 400 feet of 12/3 to 16/3 cable. Ship. wt. 33 lbs.

<b>AC193</b>	Portable Electric Cable Reel	\$279.95
