

Easy Flow Gravity Hopper

storage bins, racks & systems

A Unique Way to Improve Workflow!

- Unique hopper provides exceptional product storage, while saving space through a compact vertical design
- Large, angled top opening allows easy filling, whether used on the Gravity Hopper Floor Rack or on a work platform
- Generous picking area provides easy access to the loaded product, while keeping it neatly contained and sorted
- Great for: fasteners, assembly areas, KANBAN, inventory stock, merchandise and work cells
- 75 lbs. capacity per hopper; 900 lbs. total when used with the 31625RACK
- Rotational-molded for strength and durability – LLDPE
- 2 color options: Red and Blue
