

Roadside Emergency Kit (Auto FX & Two Lightsticks)

Part number 468117

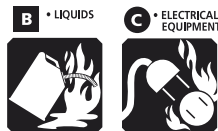

Regular use

Disposable

UL Rated 5-B:C

For use on the following types of fire:

Description

The Roadside Emergency Kit contains one Auto fire extinguisher and two 10' yellow lightsticks.

The extinguisher is suitable for use on Class B (liquids & gases) and Class C (energized electrical equipment).

The Auto unit is fitted with a "one touch" pressure check device to ensure reliable performance. It is manufactured from lightweight aluminum and a tough nylon valve assembly.

The Auto unit is supplied with a "No drill" velcro mounting bracket.
