

## SCBA Replacement Cylinders

SCI has been manufacturing composite cylinders for over 35 years. With over two million cylinders sold, SCI cylinders have never had a field service failure or major recall. The standard cylinder is durable, lightweight and performance based - no other cylinder compares in price.

- ▶ D.O.T. and TC approved
- ▶ Industry leader: SCI has over 2 million units in service without a field service failure
- ▶ Superior quality: 15-year life expectancy
- ▶ **Bottles only: Valves sold separately**

SCBA replacement cylinder

AZ455

## Protect SCBA Cylinders with Quic-Access Cabinets

Protect your SCBA cylinders and keep them easily accessible. Cabinets are made of ABS materials with highly-visible safety yellow doors. A bulb seal gasket locks out moisture and dirt, while thermoplastic hinges and latches are highly-resistant to corrosive chemicals and ultraviolet exposure. Each cabinet features two or four windows to allow external inspection of contents and air cylinder pressure readings. Labels are provided to identify the size of the SCBA unit(s) mounted inside. Simply mount a Walkaway® bracket, sold separately, to the inside of the cabinet to secure SCBA. Cabinets can also accommodate protective clothing, emergency equipment, or emergency respirators. Available in single or double cylinder styles.

Ship. wt. 21-29 lbs.

SCBA Brackets sold separately	Cylinder Type	Dimensions	Price
AK007 SCBA Quic-Access Cabinet	Single Cylinder	32"Wx32 1/2"Hx14 1/4"D	\$437.95
AK008 SCBA Quic-Access Cabinet	Double Cylinder	21 1/2"Wx32 1/2"Hx14 1/4"D	\$546.95

## Industrial Storage Cabinets

These strong, durable cabinets are made of injection-molded plastic, with UV protection for years of use. They come with stainless steel parts and rubber gaskets to keep out moisture, dirt, corrosive, chemicals and ultraviolet light even in the harshest environments. SCBA/ General Storage cabinets come with Velcro® strap, face piece hook, and yellow box with black door.
