

The Dash Miser Offers Mounting Versatility, Low Profile & High-Intensity Strobe

Dash Miser Plus

The Dash Miser Plus is the lowest profile, most effective dash/deck strobe flashing warning light specifically designed for interior vehicle use. Great for supplementing other safety signals on emergency vehicles. The slim, oval polycarbonate housing can be mounted with suction cups, Velcro® pads or Universal "Z" bracket; all included with your purchase. Mounts on the front dash, windshield, behind the mirror, onto visor or headliner of most vehicles. Self-contained strobe features exclusive CometFlash™, the most effective multiple flash pattern on the road today. Strobe lamp and reflector assembly provides up to four times more effective warning light intensity at a 60° angle. Purchase includes 8-foot cord/cigarette plug, your choice of one or two lamp models and each individual lens available in your choice of color. *Ship. wt. 3 lbs.*

Mounting Versatility

The Dash Miser Plus includes suction cup mounts, Velcro® pads and Universal "Z" Bracket to mount just about anywhere inside your vehicle.
