

American Heritage Leather Helmet

A low-profiled helmet designed by firefighters combining old-world styling and craftsmanship with today's advancements in leather tanning and composites. Made with chromium tanned leather outershell, molding resin and fiber under heat and pressure to create a one-piece leather sandwich increasing the helmet's durability and ability to withstand high heat loads. Includes black Nomex® earflap, cushioned headband, your choice of 4" faceshield with spring load or goggles, adjustable chinstrap with postman slide and quick-release buckle, embossed eagle front shield holder and "Glo-Flex" reflective tetrahedrons. *Helmet fronts sold separately. Meets NFPA 1971, 2000 Edition, ANSI and OSHA.*
