## Extrication Gloves

**Flame, Heat and Burn Protection**

During your rescue missions, fire and heat are ever present hidden dangers. Fireman's Shield Extrication Gloves are the only gloves that offer flame, heat and burn protection. Every pair of gloves is lined with our exclusive, soft, durable, cut-resistant liner called Kovenex™. Kovenex™ is a special patented blend of high-performance fibers. It offers true flame resistance plus a totally new level of heat blocking for burn protection. With an amazing TPP rating of 8 for this fine layer, it provides you the precious seconds to remove yourself from harm's way.

- ▶ Flame and heat protection
- ▶ Cut and puncture resistant
- ▶ Reinforced finger and palm protection
- ▶ Shock-absorbing knuckle guard padding
- ▶ Extended cuff for increased safety
- ▶ Non NFPA
- ▶ Color: green
