Action-Lite™ Mid Sized Lightbars

The all-new Action-Lite™ lightbar is the perfect length at 34½" for small emergency vehicles or SUVs with a price that's much more economical than the traditional 48" bars. Features your choice of four quad flash strobe heads or four super bright 55-watt halogens and two diamond mirrors. Modular dome design allows you to combine up to two different colored half outer domes or different colored inner lenses under a clear dome. Comes standard with four post permanent mount; optional mounting kit gives you 2" more in height. *Ship. wt. 15 lbs.*

▶ 4 Strobes / 2 Mirrors

4 Halogens / 2 Mirrors

Available with four halogen lamp/reflector assemblies and two diamond mirrors
