

Ballymore Introduces Our New "POWER STOCKER" Lift

- Ground entry. Manually propelled, Hydraulic Order Picker.
- Small foot print 30" wide X 50" long won't block aisles and easy to maneuver
- Only 69" tall rolls through standard doorways
- No outriggers required, floor locks secure in place
- 15 foot high working height
- 450 pound total capacity (operator and inventory)
- Key lock control prevents unauthorized use
- High quality controls requires both hands to operate controls for user safety
- 12 volt DC power with mounted charger included. Recharge using standard 110 volt outlet
- 80 to 100 raise and lower cycles between charges
- Removable guard rails beside stock platform for easy loading and unloading
- Meets/exceeds ANSI safety standards
