

THERMO PLASTIC Welding Helmets

TIGERHOOD® Classic

MODEL 906

SEE THE DIFFERENCE QUALITY MAKES

TIGERHOOD® Classic contains the features that make lightweight thermo-plastic welding helmets popular with today's welders. What makes it stand out is its performance and comfort enhancing extras that help welders produce more with fewer injuries.

Molded from NORYL, job proven superior in welding related performance characteristics, TIGERHOOD® Classic is the workhorse of thermoplastic helmets. It maintains its high performance level across a wide spectrum of welding processes and working conditions.

TIGERHOOD® Classic has a high welder satisfaction rating because it helps welders do their job better. When welders do their job better - you gain a productivity edge.

EXCLUSIVE AIRFLOW DESIGN

TIGERHOOD® Classic's unique design provides extended throat protection while blocking fumes and smoke from the face. Size and shape allows air to circulate, to help clear any smoke and fumes that seep in. Air circulation also evaporates perspiration in the perforated sweatband for a cooling effect. (If hazardous fumes are present,

appropriate respirators must be worn.)

**PROVIDES A
PRODUCTIVITY
EDGE**

MODEL 906

Molded-in glassholder, telescoping lid provides a seal against light leak.

MODEL 990

24 square inches of unobstructed viewing area with Flash Barrier

MODEL 910

Lightweight molded-in stationary glassholder with Flash Barrier.

MODEL 998

Lightweight molded-in stationary glassholder with Flash Barrier.

COLORS, GOLD AND SILVER COATING ALSO AVAILABLE

Molded-in colors eliminate chipping, peeling and fading. Smooth, seamless shell deflects sparks and spatter reducing the risk of burn through. Gold and silver coating exceeds standards for abrasion, adhesion, wear and weathering and deflects heat to lower the temperature for welder comfort. Also available in black, gray, blue, red and green. Can be imprinted. All models complete with shade 10 filter lens installed.

EXTRAORDINARY COMFORT

TIGERHOOD® Classic sets the standard for comfort. Its exclusive 3-C, free floating head-gear with multiple wearing adjustments; and its ability to comfortably accommodate protective spectacles and respirators, improves welders quality of work life. Comfortable welders have less downtime and produce more each working day. Available with shade 10 filter plate installed.
