

Hand Held Stretch Wrappers

These hand held, lightweight, freewheeling dispensers maintain precision tension control assuring a tight, smooth application. Ergonomic design reduces both bending and fatigue. Now even the bottom row can be wrapped as tightly as the top with help from its ergonomic foam bent handle. Accommodates rolls up to 8" in diameter.

The compact Stretch Wrap Knife is small enough to fit in your pocket. Specially angled cutting head easily slices through stretch wrap material without sticking or binding. Safety design will not cut user or products. Made of high-density plastic. Replacement blades available.

APPROACH RAMP
model SWA-R-4836

Low-Profile Powered Carousel

The Low-Profile Powered Carousel features a heavy-duty steel non-skid treadplate platform 48" in diameter. This unit handles loads up to 4,000 pounds. Standing only 2-3/8" tall, this system is easily accessible with a fork truck; optional approach ramp is required for pallet truck use. Foot control operation with a variable speed control, cushion start/stop, and rugged 3/4 HP motor with belt drive standard. Wall plug standard 115V/single phase/20 amp. Optional approach ramp measures 48" wide by 36" long. Manual Air Bearing Carousel is also available, contact factory.

MODEL NUMBER	DESCRIPTION	CAPACITY (POUNDS)	R.P.M.	NET WT. (POUNDS)

REVERSE OPTION, MODEL SWA-REV

model STPC-CD

Stand Alone Powered Carousel

Easily rotate pallets, skids, and other large objects with these rugged powered carousels. Each unit includes a 48" diameter round treadplate turntable. Turntable is supported with inverted casters for use as bearings. Units are complete with turntable, base, 115V single-phase power unit, and variable-speed control (electric/hydraulic unit has fixed speed control). Turntable is operated with a foot control. Heavy-duty steel construction with painted finish.

MODEL NUMBER	DESCRIPTION	R.P.M.	HEIGHT	CAPACITY (POUNDS)	NET WT. (LBS.)
STPC-CD	115V AC (CHAIN DRIVEN)	3-12	24"	4,000	788
STPC-EHD	115V AC (ELECTRIC HYDRAULIC DRIVEN)	8	12"	4,000	788

Pallet Cart & Carousel

This unique cart serves as two products in one. First, use cart to transport products to where they are needed. Then, once at desired location, a simple flip of a switch on the casters will allow the cart to manually rotate 360° like a carousel for easy unloading and improved efficiency.

The cart features a 48" diameter round platform with a 1/4" thick treadplate deck. The handle is removable to allow for full deck access from any position. Includes four swivel 8" x 2" phenolic casters with swivel locks. Steel construction.
