

HT SERIES

Listen-only headsets

Peltor's HT series of listen-only headsets are designed for industrial users in high noise environments. Incorporating Peltor's latest technology in both earcup design and electronics make this headset the ideal choice for clear, crisp listen-only reception in extreme noise areas in industries such as:

- ▶ Heavy Equipment Operators
 - ▶ Airport workers
 - ▶ Construction
 - ▶ Manufacturing
 - ▶ Agricultural
 - ▶ Racing
-
- ▶ **NRR 25dBA**
 - ▶ **Extremely Comfortable**

HT SERIES

LISTEN-ONLY HEADSETS

Peltor's latest line of HT series listen-only headsets exhibit the versatility along with the protection, durability and comfort that you expect from the worldwide leader in communication headsets. HT series industrial headsets feature the highest quality audio reception, combined with a wide selection of connectors which enable them to be used with speaker microphones, VHF/UHF radios or personal entertainment devices in high noise areas.

3 band models available

Wide, softly padded headband for all day comfort

Patented stainless steel spring arms designed for durability and low pressure

Deep earcup design for increased ear room
