

Aluminum Truck Dockboards with Steel Safety Curbs

- Beveled Edges for Smooth Entry & Exit
- Treadplate Design Ensures Positive Traction
- Bend is 11° and 9° from Beveled Edge
- Legs are 12" from Beveled Edge

DVD or VIDEO AVAILABLE

This dockboard is designed for portability and safety. Deck is made of tough high strength aluminum treadplate. Safety curbs are coated yellow and are constructed of steel with cast tapered ends. Steel legs are bolted for increased durability. Canted locking legs for easier fork truck portability. Manufactured in compliance with OSHA.

Formed Aluminum Dockboards

Unique design includes formed aluminum side curbs. Constructed of 5/16" thick aluminum treadplate that is strong and yet lightweight. Side curbs are painted safety yellow. Usable width is 7" less than the overall width. Welded aluminum locking legs for OSHA compliance. Beveled entry and exit edges.
