

CUP PTT SERIES

GROUND MECHANIC HEADSETS

Peltor's new Ground Mechanic headset is specifically designed for individuals in ground support and ramp operations to talk clearly with pilots during high noise push-back situations. New & improved features include:

- ▶ Folding headband for compact storage
- ▶ Military grade, kevlar reinforced headset downlead cable 30" long
- ▶ Reinforced, easy to grip plug assembly
- ▶ Compatible with existing David Clark C31 series extension cables
- ▶ Thumb activated PTT button on left earcup
- ▶ Noise canceling microphone
- ▶ NRR 25 dB

Folding headband feature for compact storage while not in use. Standard option on both Hi-Viz and Black Cup models.

"Hi-Viz" yellow cup version
