

# LAPEL MIC

RADIO ACCESSORY

Peltor's new **Lapel Mic** allows users to conveniently transmit and receive radio messages remotely. It features an ergonomic low profile design with an 8 position, 360 degree swivel clothes clip. Ideal for users that do not wish to hold or remove a 2-way radio from their belt in order to transmit or hear instructions. Typical applications include:

- ▶ Manufacturing
- ▶ Law enforcement
- ▶ Airport crew & ground personnel
- ▶ Casino, convention & event security
- ▶ First Responders and Incident Commanders
- ▶ Construction
- ▶ Landscaping

3.5mm audio jack with rubber cover protector for when not in use

Noise canceling microphone, high output speaker, water resistant housing

Push-to-talk for radio transmit

HTM06 Peltor HearPlug plug-in for monitoring radio messages in louder noise environments requiring hearing protection

Heavy-duty polyurethane curly cable assembly down to radio. Excellent durability for demanding environments.
