Cargo Strapping

- Guard against damages from slipping and shifting loads while transporting products
- Tough strapping fabric is made of a polyester webbing

New

Tighten securely around cargo to help prevent damage and load shifting during transit. Spring loaded E-Track fittings provide quick one-handed connection to anchor point. Both ratchet and cam buckle models tighten and release quickly. Edge Guards are reusable, durable, and economical.

MODEL NUMBER	STRAP WIDTH	WORKING LENGTH	WORKING LOAD (LBS)	TIGHTENING MECHANISM	FASTENER	NET WT. (LBS.)
