Digital Entertainment **Everywhere!**

AVerTVHD Duet - PCTV tuner (A188 - White Box)
Dual Digital Tuner, Double your HD Entertainment Experience!

The AVerTVHD Duet will give your existing HTPC a "Power Boost" to higher levels of HD digital entertainment. It's designed to receive High Definition Digital TV Over-the-Air (ATSC) or Unencrypted Digital Cable (ClearQAM*) signals directly to your PC! The AVerTVHD Duet is a dual digital tuner, with a single input, that adopt the brand-new PCI Express interface, which offers a stable and higher bandwidth tranmission environment than the traditional PCI bus. One of the great features about a dual tuner is that the user can watch one program, while recording another, or record two programs simultaneously!

Digital Entertainment **Everywhere!**

AVerTVHD Duet is compatible with Windows 7 and certified with Windows Vista and XP Media Center, and is the solid choice to enable users to watch HDTV in the home or office right on their PC. This product supports High Definition TV viewing up to 1080i resolution with aspect ratios of 4:3 and 16:9. The AVerTVHD Duet will enhance your existing home entertainment center capabilities with High Definition TV viewing.
