FM Radio
Teletext

Enjoy TV / FM Radio on Your Laptop !

AverTV Cardbus Plus is the new interface of TV-Tuner / Video Capture card. With its fascinating functions, you can have multi-channel preview, the real-time digital video recording (DVR), schedule recording, Time-shift and image capturing. In addition, it incorporates a MPEG II software decoder which enables a high quality play-back of the recordings. Next, you can listen to FM radio and enjoy this personal TV system via the remote control.
