

Control4[®] Suite Systems Wireless Dimmer

Guests enjoy total control over room lighting with the Control4 Wireless Dimmer while you have a better way to manage energy use.

The Control4[®] Wireless Dimmer is a smart, affordable way to integrate guestroom lighting into a hotel building and room management system. Ideal for new construction and for existing properties, the Wireless Dimmer is easy to install and program. The Wireless Dimmer is conveniently controlled from keypads, remotes, touch screens or the television interface.

Your guests will be able to easily control the lighting levels in their room, use personalized light settings to create the perfect mood and can even set custom wakeup events to start their day off right.

Control4[®] Wireless Dimmers give your property the ability to meet energy building standards while delivering an unprecedented guest experience. The dimmers integrate into the total room automation and smart building experience, allowing management to maximize energy savings, and enhance guest comfort and convenience.

- Low-profile design blends with Decora style and custom colors match any décor
- Multi-color LEDs deliver feedback and provide dynamic night lights when necessary
- Communicates wirelessly via the ZigBee[®] standard
- FC, UL, CE and RoHs certified

Control4[®] Suite Systems

Wireless Dimmer

Technical Specifications

Load Capacity

- 1000 Watts, single or multi ganged installations
- 800 Watts (Dual ganged) or 800 watts magnetic low-voltage
- 600 Watts (Triple ganged) or 600 watts magnetic low-voltage
- Minimum Load 25 Watts

Load Type

- Incandescent/Halogen
- Dimmable magnetic low-voltage with 75% or greater load factor
- Dimmable electronic low-voltage with 75% or greater load factor, forward phase

Communications

- Wireless IEEE 802.15.4 mesh networking

Environmental

- Operational 0°C to 40°C
- Humidity 5% to 95% Non-Condensing
- Storage -20°C to 70°C

Power Requirements

- 120 VAC +/- 30% (84-156 VAC) 50 to 60 Hertz

Dimensions + Weight

- H x W x D: 4.60" x 2.75" x 1.60" (117mm x 70mm x 41mm)
- Weight: 4.9 oz (139 g)

Available Colors

- White
- Black
- Almond
- Screwless face plates are available
