

Model XF228-B1 shown with Component AV Foundations™ model CFV69-EB1 and Euro Speaker Foundations™ model EF28b

VISIONMOUNT® LARGE MOUNTS

« ProSet™ height and level adjustments ensure TV is perfectly positioned, even after installation

« ClickStand™ feature holds TV away from wall for easy cable installation, then clicks securely back onto wall plate

« FollowThru™ in-arm cable management channel protects and conceals cables—even through the elbow—for a truly flawless look

« ClickFit™ system allows power conditioners and other small devices to be positioned directly behind TV and easily clicked onto mount, so they stay hidden yet easily accessible

« Super Slim low-profile mount places TVs just .55" from wall — less than the width of a die

« Universal mounting brackets fit virtually any LCD, LED and plasma TV from 30" to 60"

« All models offer lateral shift to allow perfect TV placement even with off-center studs

« Full-motion and tilting mounts feature the Virtual Axis™ mechanism for balanced tilting with the touch of a fingertip
