VISIONMOUNT® DESK MOUNTS

Full-Motion Desk Mounts are as versatile as they are strong

Our full-motion desk mounts are the perfect addition to any office space. These sleek mounts can be clamped to the back of desks up to 2.7" thick or mounted directly into the wire management hole without the use of tools. Mounts feature **adjustable height**, **independent head and arm tensions** and **integrated cable management channels**. Constructed of extruded aluminum and heavy-gauge steel, mounts are available in black, silver or graphite to complement any monitor.

MD115-G1

« Offers unique ability to clamp onto back of desk or to mount directly into cable management hole

« Independent tensions in arm and head offer easy adjustment without disturbing viewing angle

« Cable management channel neatly and safely routes cables

« Virtual Axis 3D™ technology allows the monitor to move in every direction possible with fluid motion, so it's easy to switch from portrait to landscape
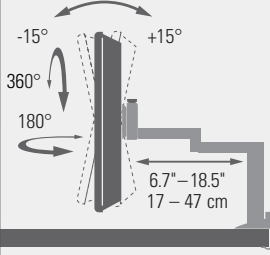

« SmoothLock™ technology provides smooth tilt and swivel motions without loosening
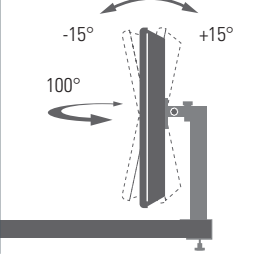

« Adjustment knobs for "set and forget" tension without any tools
