

COMPONENT AV FOUNDATIONS™

CFA56-EB1 | CFV47-EB1 | UF34

Built to perform with no compromising on aesthetics

The Component Series was engineered for serious audiophiles.

Extra-deep cable management channels span cabinet widths to contain complex cable systems, and **quick-release back panels** provide easy access to cables and wires. These high-test, spacious pieces feature resonance-absorbing MDF construction and **beautiful hardwood veneers** to provide a superior acoustic — and aesthetic — performance.

« Center channel cavity with speaker grill cloth on CFV69 allows for concealed speaker placement

« Extra-deep, full-width wire channel easily contains all cables from even the most complex systems

« Removable carpet glides make rearranging furniture easy on carpeted surfaces

« Adjustable isolation shelves separate AV components for vibration reduction

« Convection cooling system allows heated air to escape as cooler air is drawn in

« Solid polyester feet with optional carpet spikes dampen resonance

« Quick-release removable back panels provide easy access to AV components for wiring

« Versatile line includes glass and wood door-panel options for a customizable design
