

D60
.25 Caliber Disc Tool
Semi-Automatic
Power Adjustable
2-3/8" Pin Capacity (2-1/2" w/washer)

Poles available in 6' and 8' lengths

ADVANTAGES

- | Quick power adjustment—gives eight levels of power with only one load level for a variety of applications
- | Rugged polyamide housing—reduces heat transfer and maximizes operator comfort
- | Soft, recoil-absorbing handle—for increased operator comfort
- | Ramset Disc Technology—loads only advance after firing—eliminates 10-20% of load waste
- | 5 Year Warranty

POLE ADVANTAGES

- | Rubber “motorcycle” grip for operator comfort and to reduce recoil level
- | Delrin™ coupler on cable makes pole di-electric
- | Nyloc™ nuts keep your adjustment fixed solidly on the trigger bar
- | Top-quality hand lever
- | Trigger bar adjusts easily for individual tools
