

ARDEX ArdiSeal Rapid Fast-Setting Flexible Joint Sealant

A two part, flexible joint filler designed for fast-track filling and sealing of moving joints. Requires no primer under normal conditions, is 100% solids providing no shrinkage in the joints and cures to a flexible material with 100% elongation.

Benefits:

- Two part flexible urethane hybrid
- Ultra-fast setting
- Use anywhere a resilient joint is needed, including expansion, isolation and construction (cold) joints
- Use interior or exterior to complement other ARDEX products
- 100% solids – No shrinkage
- Convenient dual-cartridge system
