

# Fastener-Free, Built-In Scuffplate

Now available...

Kemlite®

**ArmorTuf®**  
with *Integral Scuff*

NET 12" OR 24" HIGH  
BUILT-IN SCUFFPLATE

## Replaces Aluminum Extrusion or Aluminum Plate Scuffplate

- 0.07" Embossed ArmorTuf with additional 60oz/yd<sup>2</sup> woven glass in scuff area
- 12" and 24" net scuff heights available
- Eliminates maintenance costs associated with repairing/replacing aluminum scuff
- Reduces the potential for moisture to penetrate into the foam insulation
- The built-in scuff section has an extra layer of heavy-duty woven glass
- A one-piece panel that eliminates the need for fasteners
