MATREX panels are perfect for use in “front room” areas where a sanitary and durable yet aesthetically pleasing finish is needed, but the hassle of tile is not! Tile never cleaned so easily! The **MATREX** panel has a high gloss gelcoat surface available with a standard 4" x 4" tile pattern. The grout lines are sealed for easy maintenance, avoiding the grimy build up encountered with regular tile.

FACILITY APPLICATIONS

- Food Preparation Areas ▪ Supermarket Deli Areas
- Cafeterias ▪ Restrooms ▪ Retail Sales Areas
- Health Club Lobbies
