

## **ARDEX X 77™ MICROTEC® Premium Thin Set Mortar**

ARDEX X 77™ with Revolutionary MICROTEC® Technology  
Delivers Tangible Benefits during Tile & Stone Installations

### **ARDEX MICROTEC® Technology**

ARDEX innovation delivers the next generation in polymer modified Portland cement-based technology, ARDEX MICROTEC® Technology. Comprised of a specialty blend of high performance microfibers and exclusive ARDEX polymer specialty cements, ARDEX MICROTEC® Technology provides real, tangible benefits for installers that translate into proven advantages by reducing time and costs during the installation.

ARDEX X 77 is formulated to handle today's most challenging installations including setting porcelain, glass, quarry, moisture-insensitive stone, ceramic and all types of mosaic tile over exterior concrete and masonry surfaces or common interior surfaces including floors, walls and countertops.

### **Benefits:**

- Extremely flexible
- High strength with excellent sag resistance
- Up to 60 minutes open time
- Specially suited for exterior porcelain tile installations
- Ideal for high traffic areas and swimming pools
- Easy to mix and apply
- 3 hour pot life
