WoodHaven on Walls

Consider the expanded range of decorating options with WoodHaven® used as wainscoting and backsplash. Enhance the aesthetic appeal of virtually any wall — including bathroom and kitchen applications — with two design selections, Painted White and Beadboard. The planks' beveled edges and shiplap detailing provide an authenticity of architectural detail and can be installed vertically, covering a maximum wall height of 42 inches. Or, if preferred, WoodHaven can also be installed horizontally. Either way, WoodHaven makes creating a total room design solution easy and affordable.
