## **Installation is Quick And Easy**

No expensive stubbing out or heading down is required to install Criterion rigid vinyl panel folding doors. Engineered to travel smoothly on lifetime nylon wheels and so light weight they may even be installed on existing ceilings. Simply attach the aluminum track to the ceiling or header with supplied screws. Unique concealed jamb clips are provided to clip on the deep nesting jamb mould which receives the end post latch and the permanent jamb. No exposed fasteners. Fast, neat and practical. These models are really easy to handle on the job.
