

Contractor Series™ Ceiling Panels

Contractor Series™

Armstrong's affordable Contractor Series™ offers the performance you need to add more value to your standard and custom projects with less effort. Whether it's a business, school or home, you can set your projects apart from the rest with a large selection of high-performance mineral fiber and fiberglass ceilings from Armstrong. No nailing or finishing required. Make an Armstrong Contractor Series ceiling part of your next project.

NOTE: Noise reduction coefficient (NRC), ceiling attenuation class (CAC), light reflectance (LR) and flame spread ratings are expressed according to ASTM E 1264 requirements.
