

Sierra Pro XL 8 Series

8 x 8 and 8 x 4 wideband video + stereo audio routing switcher

SIERRA PRO XL

Sierra Pro 88V5Sxl

8 x 8 five-channel 450MHz @ -3dB wideband video + stereo audio routing switcher

Optional Configurations:

- Sierra Pro 88V5xl – 8 x 8 five-channel 450MHz at -3dB wideband video
- Sierra Pro 88V4Sxl – 8 x 8 four-channel 450MHz at -3dB wideband video + stereo audio
- Sierra Pro 88V4xl – 8 x 8 four-channel 450MHz at -3dB wideband video
- Sierra Pro 88V3Sxl – 8 x 8 three-channel 450MHz at -3dB wideband video + stereo audio
- Sierra Pro 88V3xl – 8 x 8 three-channel 450MHz at -3dB wideband video
- Sierra Pro 88V2Sxl – 8 x 8 two-channel 450MHz at -3dB wideband video + stereo audio
- Sierra Pro 88V2xl – 8 x 8 two-channel 450MHz at -3dB wideband video

Sierra Pro XL 84V5Sxl

8 x 4 five-channel 450MHz @ -3dB wideband video + stereo audio routing switcher

Optional Configurations:

- Sierra Pro 84V5xl – 8 x 4 five-channel 450MHz at -3dB wideband video
- Sierra Pro 84V4Sxl – 8 x 4 four-channel 450MHz at -3dB wideband video + stereo audio
- Sierra Pro 84V4xl – 8 x 4 four-channel 450MHz at -3dB wideband video
- Sierra Pro 84V3Sxl – 8 x 4 three-channel 450MHz at -3dB wideband video + stereo audio
- Sierra Pro 84V3xl – 8 x 4 three-channel 450MHz at -3dB wideband video
- Sierra Pro 84V2Sxl – 8 x 4 two-channel 450MHz at -3dB wideband video + stereo audio
- Sierra Pro 84V2xl – 8 x 4 two-channel 450MHz at -3dB wideband video

- Custom 4-level or 5-level Video optional at additional cost. To order, specify “V4V” or “V5V” option – i.e. 88V5V5xl

Features:

The Sierra Pro XL 8 Series comes in a compact 3RU (5.25”) frame and allows control of multiple signal types including composite, s-Video, YUV, RGBS, RGBHV, Y/C, and analog HD. This Sierra Pro XL series accommodates balanced or unbalanced audio, AFV, or breakaway split routing allowing for RGB muting for enhanced performance with projectors and displays. IP control, RS-232 serial control and a front local control panel are standard. Remote control options are available.

Specify model number (i.e. Sierra Pro 88V5Sxl) when ordering.
