**Liberty provides the complete residential audio solution:  
AUDIO & SPEAKER CABLES, CONNECTORS & ACCESSORIES**

## Perfect Audio Solutions Start at the Back of the Rack

### ConnecTec™ Terminates all Liberty Speaker Cables and Coax Cables

Liberty ConnecTec™ termination system provides the right solution for the back of your rack. Whether you are working only on an audio system or complete AV installation the ConnecTec system gives the AV contractor ultimate flexibility:

- Over 100 different types of cables and
- More than 50 different connector styles.
- Only need one tool: the ConnecTec™ Compression Tool.

**ConnecTec™ Terminates all Liberty Speaker Cables and Coax Cables**

### CONNECTEC COMPRESSION TOOL

- Milled from a solid piece of NASA-grade aluminum
- Lght weight, ergonomically designed
- Terminates BNC, RCA, F and audio connectors without using any additional adaptors.
- Works perfectly on all gauges of Liberty coax cables and speaker cables.

Dressing out the rack can be tedious chore. Liberty's ConnecTec termination system for both audio and complete AV helps you get more done in less time.

The tool sold separately and also in kit with durable case.
