- ▶ IR Handheld Remote Controller
- ▶ Dimensions: 11.75" (W) X 2.87" (H) x 9" (D)

*Optional Component Video output (add "CV" to order) replaces HDMI and 7.1 HD Audio. The Solo 2 and 3 CV outputs are internal whereas the Player 1 CV includes an external converter.

**You can also expand a Solo system's zones and /or storage by adding more Players and/or a Server.

All-in-One Systems - Bravo & Quartet Series

Plays, Loads, and Stores Media

Bravo™

- ▶ 4 Player Music Server Plus Blu-ray Player
- ▶ Perfect Whole Home Entertainment Solution

The Bravo™ combines a Solo 2 Movie Player/Server with a Quartet™ 4 Music Player/Server. With Bravo's integrated audio switch you can play 5 unique songs from 4 Players and one external source in 6 zones plus a Movie in another zone.

Bravo also includes a fully featured Server with up to 4TBs of storage so you can easily add Players for additional Movie playback zones.

Bravo also allows you to enjoy professional quality 7.1 HD Audio Blu-ray Movies, Photos & Online Media including NetFlix™ movies & Pandora™ Radio.

Bravo Music Player Features:

- ▶ 4 independent Music Players
- ▶ 1 external Music source (iPod, Radio Tuner etc.)
- ▶ 6 zone Music switch for multi-zone party mode
- ▶ Refer to Quartet for more music server details

Blu-ray Movie Player Features:

- ▶ Refer to Solo 2 features for details.

Quartet™

- ▶ 4 Player Music Server
- ▶ Plays Loaded CDs, MP3s, Internet Radio and More

Quartet is an all-in-one 4 Player Music Server. With Quartet's integrated audio switch you can play 5 unique songs from 4 Players and one external source in 6 zones or the same song in any or all zones. Included is up to 4TBs of media storage.

Bravo / Quartet Control Methods:

- ▶ Included IR Remote
- ▶ 2 Way Interfaces including Crestron®, AMX®, Philips®, NetStreams® & many others
- ▶ 2 way wireless iPhone™ or iTouch™ controller

Bravo / Quartet Features:

- ▶ Plays 5 independent Music Sources, 4 internally & 1 externally (iPOD, Radio Tuner or other source)
- ▶ Includes Server that stores 2TBs, 4TBs non-RAID or 2TBs of RAID 1 protected media
- ▶ 6 switched pre-amp level stereo outputs and 1 pre-amp level input from audio external source
- ▶ HDMI 1.3a, DVI, VGA, Optional Component*
- ▶ Dimensions: 16.9" (W) x 6.1" (H) x 13.7" (D)

Mozaex offers the finest in Quality, Service and Features.

- Best of Breed** Second to none, Mozaex has 26 years of experience delivering award-winning Quality and Service to thousands of customers and companies such as Gateway®, Dell® and NEC®.
- World Class Service** We back our commitment to Quality & Service with a **no-charge 3 year limited warranty**.
- Ultra Reliable** Our **SurePlay™** online maintenance service and **EasyUp™** software updater ensures your Mozaex is always running smoothly. Unlike Media Center Edition™ general purpose PCs that are prone to fail, Mozaex is custom designed for dedicated, never fail operation.
- More Choices** The broadest selection of models with features and prices that will meet any performance and budget needs.
- Fully Integrated** Integrates with leading control systems including Crestron®, AMX®, Elan®, Nevo®, HomeLogic®, Philips®, Universal Remote®, RTI®, Savant®, NetStreams®, and Control4®, among others.
- Expandable** Unlimited expansion of your media collection with network attached Mozaex Servers.
- All The Right Stuff** On-the-fly playlists, children content rating control, interactive movie menus and much more.
