PC-5850

DIGITALINX™
 Complete Digital Solutions for the AV Professional

Available in 1 and 2 meter lengths, this cable offers high-quality performance at a very competitive price.

DigitalLinx™ Pure Performance HDMI® Cable	
Part #	Length
DLX5-HD-1M	1 (meter)
DLX5-HD-2M	2 (meter)

DigitalLinx™ pure-performance HDMI cables are designed to reflect the same image quality you see in your high-definition display. This cable provides ultimate digital performance with flawless transmission of

HDMI 1.3 signals up to 1080p and beyond. The look and feel of the cable is enhanced by a braided fabric sheath jacket, and easy to grab plugs; making this cable both aesthetically stunning and easy to install.
