

# Sierra Pro XL 12 Series

12 x 8 and 12 x 4 wideband video + stereo audio routing switcher

SIERRA PRO XL

### Sierra Pro 1208V5Sxl

12 x 8 five-channel 450MHz @ -3dB wideband video + stereo audio routing switcher

#### Optional Configurations:

- Sierra Pro 1208V5xl – 12 x 8 five-channel 450MHz at -3dB wideband video
- Sierra Pro 1208V4Sxl – 12 x 8 four-channel 450MHz at -3dB wideband video + stereo audio
- Sierra Pro 1208V4xl – 12 x 8 four-channel 450MHz at -3dB wideband video
- Sierra Pro 1208V3Sxl – 12 x 8 three-channel 450MHz at -3dB wideband video + stereo audio
- Sierra Pro 1208V3xl – 12 x 8 three-channel 450MHz at -3dB wideband video
- Sierra Pro 1208V2Sxl – 12 x 8 two-channel 450MHz at -3dB wideband video + stereo audio
- Sierra Pro 1208V2xl – 12 x 8 two-channel 450MHz at -3dB wideband video

### Sierra Pro 1204V5Sxl

12 x 4 five-channel 450MHz @ -3dB wideband video + stereo audio routing switcher

#### Optional Configurations:

- Sierra Pro 1204V5xl – 12 x 4 five-channel 450MHz at -3dB wideband video
- Sierra Pro 1204V4Sxl – 12 x 4 four-channel 450MHz at -3dB wideband video + stereo audio
- Sierra Pro 1204V4xl – 12 x 4 four-channel 450MHz at -3dB wideband video
- Sierra Pro 1204V3Sxl – 12 x 4 three-channel 450MHz at -3dB wideband video + stereo audio
- Sierra Pro 1204V3xl – 12 x 4 three-channel 450MHz at -3dB wideband video
- Sierra Pro 1204V2Sxl – 12 x 4 two-channel 450MHz at -3dB wideband video + stereo audio
- Sierra Pro 1204V2xl – 12 x 4 two-channel 450MHz at -3dB wideband video

- Custom 4-level or 5-level Video optional at additional cost. To order, specify "V4V" or "V5V" option – i.e. 1208V5VSxl

#### Features:

The Sierra Pro XL 12 Series comes in a compact 3RU (5.25") frame and allows control of multiple signal types including composite, s-Video, YUV, RGBS, RGBHV, Y/C, and analog HD. This Sierra Pro XL series accommodates balanced or un-balanced audio, AFV, or breakaway split routing allowing for RGB muting for enhanced performance with projectors and displays. IP control, RS-232 serial control and a front local control panel are standard. Remote control options are available.

Specify model number (i.e. Sierra Pro 1208V5Sxl) when ordering.
