AUDIO EXPERTISE

For more than 17 years Liberty Wire & Cable has been at the forefront of residential audio solutions combining advanced speaker cable engineering with high-performance connectors that make your residential install perform flawlessly.

EASY TO INSTALL

- Abrasion resistant jackets
- Easy to pull
- Rugged corrugated cardboard boxes hold together
- Durable spools

GREAT PRODUCT FEATURES

Speaker cable audio signal transmission is unmatched in the industry.

- All cables are UL listed, splice-free and sequential foot marked
- Available in 16,14,12 and 10 AWG options, and 2 and 4 conductor constructions, in a wide spectrum of colors
- Custom imprinting available: print the name of your business, project name/number, application information or all three
- Good-Better-Best product guide makes it easy to find the right audio solution for your residential installation

Liberty's "Good to Best" product guide equates strandcount with performance.

GREAT SELECTION
