Liberty Cares about the Environment...and your business!

Green Market

LEAD-FREE
Complies with the Restriction of Hazardous Substances (RoHS) directive.

As a leading global supplier of wire and cable, Liberty is at the forefront of manufacturing environmentally friendly products.

Many countries are now implementing the Restriction of Hazardous Substance (RoHS) directive mandating the reduction of Lead (PB), Mercury (Hg), Cadmium (Cd), Hexavalent Chromium (Cr), Poly brominated biphenyl (PBB)

and Polybrominated diphenyl ether (PBDE) in electronic and electrical equipment.

For several years now, Liberty has been offering a broad spectrum of our products that are RoHS compliant. Liberty Wire & Cable is committed to constantly expanding the number of environmentally friendly products we manufacture.
