## VISION XWF™ High-Definition Wall Screen

VISION XWF™ is a hand crafted fixed frame finished in rich black velvet for all home theater or media room environments. The 3 1/4" beveled edge frame includes VTS™ (Velcro Tensioning System) for a wrinkle-free tension screen surface. Available in SilverStar™, BriteWhite Opaque™, PearlBrite™, Rear-Vu™, GreyDove™ and SoundScreen™ surfaces.

» **CinemaScope™ Widescreen** 2.35:1 (available 2.40:1) – **HDTV** 16:9 (available 1.85:1) – **Video** 4:3
