

SMS FLATSCREEN X FM VIDEO CONFERENCE

Give your conference a double roll.

A mobile video conference system with space for double screens of dimension 32-40" (depending on screen width and VESA) and a top-mounted video camera. The camera shelf and its bracket are ordered separately. A motorized version is also available, with convenient electrical adjustment of the height. The system can be fitted with electrical power sockets (ordered separately) and it is easy to add shelves and cabinets for DVDs and other peripherals.

The X series is characterised by clean and refined features. The cable holder, for example, into which it is easy to place all cables by hand. The surface finish has also been given extra attention.
