SMS FLATSCREEN **X**
WM VIDEO CONFERENCE

A double-sized distance conference on the wall.
A wall-mounted video conference system, with space for double screens of dimension 32-40" (depending on screen width and VESA) and a top-mounted video camera. The camera shelf and its bracket are ordered separately. The system can be fitted with electrical power sockets (ordered separately) and it is easy to add shelves and cabinets for DVDs and other peripherals, depending on the column length selected.

The X series is characterised by clean and refined features. The cable holder, for example, into which it is easy to place all cables by hand. The surface finish has also been given extra attention.
