

ELITE RACKS AND STANDS

ESS elite speaker stands

Elite speaker stands are sure to compliment the aesthetics of any room or studio. They are attractively constructed from fused melamine. The stands are 42" tall and both the speaker platform and base are 14" square. Dual cable management ducts run the length of the front and rear of the stands, with contrasting silver trim covers. Matching silver trim surrounds the edges of the top and base. These stands are sold in pairs, shipped knocked down and are easily assembled.

Available in ebony fleck (ESS-42BSL) or maple (ESS-42MSL).

ERK-B with Optional Plexi Front Door (ERKD)

ERK-B Rear View with Optional Rear Door (ERKD-R)

ERK elite rack

The Elite Series of fine audio racks are of knock down construction using the highest grade of fused 3/4" melamine. They come equipped with 11-gauge steel rack rail and the finest knockdown furniture hardware available. The ERK has a depth of 20" to accommodate most gear. Attractive plexi front doors and solid melamine rear door are now offered as options on vertical racks. No doors are available for slant racks. Available in ebony fleck and maple. Furniture grade casters are included on 12 spaces and larger.

ERSS economy speaker stands

These monitor stands are ideal for any studio and are constructed of 3/4" furniture grade hardboard, finished in a black oak laminate. The speaker platform and base are 12" square. The bottom is easily removed to allow the 5" center post to be filled with sand for acoustical de-coupling. Sold in pairs, these stands are shipped knocked down in one box and assemble in minutes. Available in 36" (ERSS-36) or 42" (ERSS-42).

ECONOMY RACKS

ER economy racks

A true work wise design, these knock down economy racks are black oak laminate over 5/8" medium density fiberboard. They provide a very economical yet attractive means for rack mounting gear in home studios or smaller installations. Assembly hardware and 11-gauge steel rack rail are provided. Casters are optional.
