The Next Generation in High Definition Masking Screen Technology

***Turn Ordinary Theater into Extraordinary Theater
with AutoMask by Vutec***

Vutec AutoMask-H

The advanced engineered AutoMask-H series Theater Masking Screens are designed for Multi-Purpose room environments. Created for the discriminating viewer that demands the HD experience, Vutec's AutoMask-H series delivers unparalleled performance.

The AutoMask-H series features the ability to mask a standard (16:9) HDTV image from both top and bottom to create a theater experience while watching your favorite film in the traditional wide screen movie format (2:35:1).

AutoMask-H masking systems have been designed with a precision motorized "mask to screen surface tolerances" that deliver superior masking and trouble free operation.
