

- **Sales Tip:** Multiple mats can be affixed together on-site with the use of optional connector strips.
- **Where to Specify:** Any heavy Industrial environment or work cell that needs to offer worker protection from fatigue and spillage of liquids.

- Resilient rubber compound withstands industrial greases, cutting oils and chemicals
- Large hole configuration facilitates drainage and resists clogging
- A nitrile version is also available for use in food processing applications
- Overall mat thickness is 7/8 inch
- Note: Mat has squared, not beveled edges
- Modular design is compatible with NoTrax® #551 M.D. Ramp System® and can accommodate a variety of custom configurations (see page 24 for more information)
