

BinTelligence™ Series: Indicator™

storage bins, racks & hanging systems

BINTELLIGENCE™
SERIES
by Akro-Mils

2 Colors, 1 Bin! The unique design of the Indicator Bin utilizes a bi-color mold process to achieve a two-toned bin. The Indicator Bin is available in two sizes for Pick Racks, and Wire or Metal Shelving.

- Easy organization of supplies and work-in-process
- Reduces excess inventory
- Width dividers used for orange reserve to prevent stock-outs and assembly line interruptions
- Works with 14" wire shelving, 12" steel shelving or with pick rack systems

Indicator™ Bins – Effective inventory control at a glance!

The Indicator Bin simplifies visual recognition when supplies need to be replenished. An innovative, low-cost alternative to high-end inventory control systems!

features

Bright orange trigger color used in Lean and 5S initiatives

Innovative double hopper bin can be filled or picked from both sides

Large label area on both sides for part identification or bar code scanning

Rolled ridge provides added strength and durability

Width dividers used for orange reserve to prevent stock-outs and assembly line interruptions
