

model 3177FR

Pedestal Mounted Drinking Fountain

FEATURES & BENEFITS

BUBBLER HEAD

Polished chrome-plated brass bubbler head features an integral basin shank for added strength, and is equipped with a shielded, anti-squirt orifice that provides a steady sanitary source of water.

DRAIN CLEAN-OUT

Top-down access to the drain allows the fountain to be cleaned without taking the unit apart, which is ideal for outdoor settings that are high in drain-clogging sediment like leaves, garbage, and other debris.

ALL-WEATHER CAPABILITIES

Fully engineered system with the pneumatic operated freeze-resistant valve installed below frost line to drain water to non-freezing depth allowing fountain to function year-round. Assembly can be lifted to surface and lowered back into casing for easy maintenance without disturbing the fountain.

CONSTRUCTION

Heavy-duty vibra-cast reinforced concrete construction with exposed aggregate finish provide a perfect addition to outside environments, along with vandal-resistant bottom and access plates for added peace of mind. Stainless steel basin with a high-polished finish compliments almost any setting, and it also resists stains and corrosion.

PUSH BUTTON

Polished chrome-plated push-button requires less than 5 lbs. to activate.

OPTIONS

- ❑ Valve Box: Model 6625, ground box with lid, used with freeze-resistant valve models 6518FR and 6518.2FR.

SPECIFICATIONS

Model 3177FR barrier free, freeze-resistant concrete pedestal drinking fountain shall include a polished stainless steel basin, polished chrome-plated brass push-button, polished chrome-plated brass vandal-resistant bubbler head protected by a hood extension, polished chrome-plated vandal-resistant waste strainer with top-down clean-out access, Portland Gray exposed aggregate concrete finish with wire reinforcement, integral mounting plate, vandal-resistant stainless steel access plates, and 1-1/2" O.D. tailpiece.

APPLICATIONS

Perfect for either public or private settings, our concrete vibra-cast series is a great fit in "open-air" environments. Suitable in areas where weather conditions may be cause for concern, this series stands strong against any elements. Reinforced concrete vibra-cast design not only protects from corrosion, its Portland Gray color makes it recognizable enough to locate without compromising the outdoor atmosphere. This type of pedestal drinking fountain may also be placed in a variety of settings such as: parks, schools, and other recreational outdoor environments where the temperature may drop into freezing conditions.

Model meets all current Federal Regulations for the disabled including those in the Americans with Disabilities Act. Haws manufactures drinking fountains, electric water coolers and electric drinking fountains to be lead-free by all known definitions including NSF/ANSI Standard 61, Section 9, California Proposition 65, and the Federal Safe Drinking Water Act. Product is compliant to California Health and Safety Code 116875 (AB 1953-2006).
